THEOSOPHISTS TO TRAVEL.

Will Visit Egypt and Make Connection with Occult Students.

A New York dispatch of June 11th will be of interest to local theosophists, as the itinerary of the expedition proposed will include Honolulu on the return. The dispatch relates that E. T. Hargrove, the visible president of the theosophists, says he expects legal proceedings will be resorted to in an effort to prevent himself and seven others from starting Saturday on a crusade around the world. He will not tell who are opposed to their going, but says they are enemies of the society as well as the crusaders.

He intimated, however, that a manufacturer who had been studying the faith was the leader, but denied that the possible reason for their objection was the expenditure of the society's funds, and said that the crusaders would pay the greater part of the expenses themselves.

It is understood, however, that there is considerable opposition to the expedition. In the party are Claude Wright and wife, H. T. Patterson, Mrs. K. A. Tingley and Mrs. K. C. Keightley and E. T. Hargrove. After visiting all the large cities in Europe they will go to Egypt and India, then to Australia and reach San Francisco in March, 1897.

"In Egypt," said Mr. Hargrove, "we are going to make connection with the body of occult students and with some old friends of Mme. Blavatsky. They are the direct successors of those who were formerly leaders in the ancient mysteries of Egypt."
